Benefit from a diversified Australian private equity investment that provides exposure to the best performing funds in the industry with targeted returns of 20% p.a.

INVESTMENT HIGHLIGHTS

- Vantage has a 20+ year track record in Private Equity markets.
- Superior target return of 20% per annum net IRR.
- Exclusive access to top-tier private equity managers and opportunities rarely available to individual investors.
- Exposure to a diversified portfolio of lower to mid market companies across growth, turnaround and buyout strategies that can out-perform across a range of economic conditions.
- Fund of funds approach offering significant advantages with lower risk than direct private equity funds.
- Select co investments alongside top managers enhancing diversification and potential risk adjusted returns.
- Proven, repeatable strategy following the same successful fund of funds strategy implemented across prior VPEG vintages.
- Independent investment committee for strong governance.
